CD, 4 game boards, 40 counters, guide.

Children will love listening to the real sounds and matching them to the photographs on their game boards. Start the CD anywhere for a different game each time.

Warning:

Not suitable for children under 36 months. Contains small parts which could represent a choking hazard.

How to play:

Each player takes a game board and the counters are placed in a pile. Choose a number between 1 and 60, find that track on the CD and press play. When a player hears one of their sounds, they cover the matching picture with a counter. The winner is the first player to cover all their pictures. Approximate playing time: 10-15 minutes.
