assembly

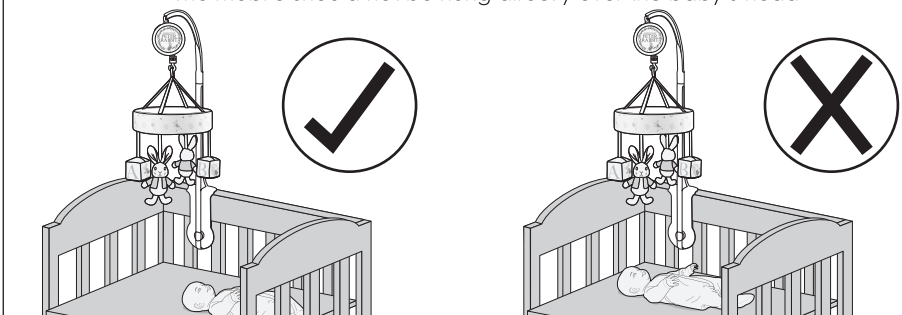

important

- **WARNING!** To prevent possible injury by entanglement and to prevent baby using the mobile as a climbing aid, remove the mobile from the side of the cot as soon as baby begins to get up on its hands and knees in a crawling position. Reposition the mobile elsewhere out of baby's reach.
- The mobile should be attached to the fixed side of the cot and should not be hung directly over baby's head.
- Do not add additional strings or straps to attach to the cot.
- Adult assembly required. Please follow assembly instructions carefully. Check regularly to ensure all parts are secured.
- Please retain these instructions for future reference.

- The mobile should be attached to the fixed side of the cot

- The mobile should not be hung directly over the baby's head
